EMPLOYMENT STATISTICS

QUEENSLAND

JULY, 1948 - DECEMBER, 1958

The series of estimated employment in "factories" as shown in the "Monthly Bulletin of Employment Statistics" (published by the Commonwealth Bureau of Census and Statistics, Canberra) was replaced, from the February 1958 issue, No. 195, by a series showing the actual monthly employment in factories as recorded at successive annual Censuses of Factories to June, 1957, with interim estimates for subsequent months.

The following statement shows the revised factory figures and also revised figures for "Total Manufacturing" and "Total Employment" made in consequence of the alterations to factory figures. These figures are to be substituted for the corresponding figures for Queensland shown in issues of the "Monthly Bulletin of Employment Statistics" prior to that for February, 1958. They should be read in conjunction with explanatory notes shown in the monthly bulletins.
